COMBINED THREE-YEAR EDUCATION PLAN

&

2014-2015

ANNUAL EDUCATION RESULTS REPORT

MESSAGE FROM THE BOARD CHAIR

Along with the Board of Trustees of Holy Family Catholic Regional Division No. 37, I am pleased to share our Division's 2015-2018 Three Year Education Plan and the 2014-2015 Annual Education Results Report with all our stakeholders.

Our educational planning addresses the need to be accountable to provincial priorities, but it also focuses on the interests of the public who support our schools. This plan enables our schools to assess their performance, develop processes for improvement, celebrate their results and contribute to the overall success of our students.

In order for the Board to ensure that quality educational programs are provided for all students in our school division, a Three-Year Education Plan was established. This plan strategically targets areas that need improvement, while remaining dedicated to practices that have proven effective.

Our Three-Year Education Plan focuses on those goals and priorities identified through planning and consultation. Specific measures and targets have been established for each outcome and are designed to assist us in working towards our vision and in determining the progress we are making.

It is important to note that this plan can only be achieved within the milieu of a supportive environment of parents, staff and our Parish community. We believe that our schools are strongly committed to the ideals of Catholic education, providing our students an opportunity not only to achieve academic excellence but also to grow personally, socially and physically in a Christ-centered environment. We are committed to the philosophy that our students are unique creations of God to be respected and nurtured.

We are very proud of our successes and continuously aim for improvement in all areas. Together with the talents of our administrative, teaching and support staff, the Board of Trustees is confident this plan will further benefit Holy Family Catholic Regional Division No. 37.

On behalf of the Board of Trustees and the administration, I extend my most sincere thanks and appreciation to all staff, parents, and community members for all of the effort that they have extended, working collaboratively for the good of all of the Division. We are optimistic about the future while acknowledging that challenges always lie ahead. We are proud of all that has been accomplished to date.

I trust that you will find our document one that clearly outlines our path, a path that leads the way for all students to achieve success and reach their potential by developing skills to become engaged thinkers, ethical citizens with an entrepreneurial spirit to be contributing members to our society.

Dianne Arcand-Lavoie
Board Chair

ACCOUNTABILITY STATEMENT

The Annual Education Results Report for the 2014-2015 school year and the Education Plan for the three years commencing September 1, 2015, for Holy Family Catholic Regional Division No. 37 were prepared under the direction of the Board in accordance with its responsibilities under the *School Act* and the *Fiscal Management Act*. This document was developed in the context of the provincial government's business and fiscal plans. The Board has used the results reported in the document, to the best of its abilities, to develop the Education Plan and is committed to implementing the strategies contained within the Education Plan to improve student learning and results.

The Board approved this combined Annual Education Results Report for the 2014-2015 school year and the Three-Year Education Plan for the 2015-2018 on November 24, 2015.

VISION

Holy Family Catholic Regional Division No. 37 will provide an inviting Catholic learning environment that links the home, the parish and the community.

Students and staff will be provided every opportunity to experience success in a Catholic Community guided by Christ.

Resources will be distributed equitably and fairly so all students have an opportunity to learn in a flexible, safe and caring learning environment.

A strong, well informed teaching staff, with an eye to the future, will provide dynamic and innovative programs in well-planned school facilities.

Students will be provided with the opportunity to live the values they are taught. The uniqueness and diversity of students will be honored and recognised. All students will be successful. Students will be prepared so they are motivated life-long learners grounded in the Catholic faith.

DIVISION PROFILE

Holy Family Catholic Regional Division No. 37 was formed on September 1, 1997, through the regionalization of the former Holy Family Catholic Separate Regional Division No. 17 and North Peace R.C.S.S.D. No. 43.

Holy Family Catholic Regional Division No. 37 provides Catholic education in the northern communities of Fort Vermilion, Manning, Grimshaw, Peace River, McLennan, High Prairie and Valleyview. In addition, a virtual school has been established in which students from across the province are enrolled. An agreement with Fort Vermilion School Division No. 52 provides that it operates St. Mary's Elementary School that is owned by Holy Family Catholic Regional Division No. 37. St. Francis Holistic Learning Centre in the Youth Assessment Centre in High Prairie is also operated by Holy Family Catholic Regional Division No. 37.

A comprehensive range of programs is provided for the 2, 154 students enrolled in the nine schools in the Division.

What's New for October 2015?

This section outlines any changes to the data, calculations or measures compared to the May 2015 release.

What's New:

- New year of results for Provincial Achievement Tests.
- New year of results for Diploma Examinations.
- Provincial Achievement Test aggregate results recalculated to include Mathematics 6/9.

Methodology Update:

- Diploma Examination school authority and school attribution methodology was revised to reflect change to Provincial Approach to Student Information (PASI) as new data source:
 - New methodology was created to assign the linked school and diploma exam mark to a school authority and school.
 - Both the current and historical data for this measure have been adjusted to reflect these changes.

Impact of Student Learning Assessment Pilot (Fall 2014):

- School authorities participating in the Student Learning Assessment Pilot in Fall 2014 were not required to have students participate in the Grade 3 Provincial Achievement Tests. Consequently:
 - Provincial Achievement Test aggregate results do not include Grade 3 PAT courses
 - School authorities participating in the SLAs had their Grade 3 PAT evaluations suppressed

Caution should be used when interpreting trends over time for the province and participating school authorities.

Impact of June 2013 Alberta Flood:

 Participation in Grade 9 Provincial Achievement Tests and Diploma Examinations were impacted by the flooding in June 2013.

Consequently, for those school authorities affected by the floods:

- 2013 results have been removed from the calculation of the Previous 3-year Average for Provincial Achievement Test and Diploma Examination aggregate results
- 2013 results have been removed from the calculation of the Previous 3-year Average for Grade 9 PAT courses

Caution should be used when interpreting trends over time for the province and those school authorities affected by the floods.

Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the 3 year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the 5 achievement evaluation levels for each measure.

| Measure | Very Low | Low | Intermediate | High | Very High |
|--|---------------|---------------|---------------|---------------|----------------|
| Safe and Caring | 0.00 - 77.62 | 77.62 - 81.05 | 81.05 - 84.50 | 84.50 - 88.03 | 88.03 - 100.00 |

Notes:

- 1) For all measures except Drop Out Rate: The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%
- 2) Drop Out Rate measure: As "Drop Out Rate" is inverse to most measures (i.e. lower values are "better"), the range of values at each evaluation level is interpreted as greater than the lower value and less than or equal to the higher value. For the Very High evaluation level, values range from 0% to less than or equal to the higher value.

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the 5 improvement evaluation levels based upon the chi-square result.

| Evaluation Category | Chi-Square Range |
|------------------------|---|
| Declined Significantly | 3.84 + (current < previous 3-year average) |
| Declined | 1.00 - 3.83 (current < previous 3-year average) |
| Maintained | less than 1.00 |
| Improved | 1.00 - 3.83 (current > previous 3-year average) |
| Improved Significantly | 3.84 + (current > previous 3-year average) |

Overall Evaluation Table

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

| | | Achievement | | | | | | | | | | | |
|------------------------|------------|-------------|--------------|------------|------------|--|--|--|--|--|--|--|--|
| Improvement | Very High | High | Intermediate | Low | Very Low | | | | | | | | |
| Improved Significantly | Excellent | Good | Good | Good | Acceptable | | | | | | | | |
| Improved | Excellent | Good | Good | Acceptable | Issue | | | | | | | | |
| Maintained | Excellent | Good | Acceptable | Issue | Concern | | | | | | | | |
| Declined | Good | Acceptable | Issue | Issue | Concern | | | | | | | | |
| Declined Significantly | Acceptable | Issue | Issue | Concern | Concern | | | | | | | | |

Category Evaluation

The category evaluation is an average of the Overall Evaluation of the measures that make up the category. For the purpose of the calculation, consider an Overall Evaluation of Excellent to be 2, Good to be 1, Acceptable to be 0, Issue to be -1, and Concern to be -2. The simple average (mean) of these values rounded to the nearest integer produces the Category Evaluation value. This is converted back to a colour using the same scale above (e.g. 2=Excellent, 1=Good, 0=Intermediate, -1=Issue, -2=Concern)

OVERRIDING GOAL: Build Catholic citizenship for all Students and Staff

OUTCOME: Maintain and expand faith development opportunities for students.

Comment on Results

- We are pleased that our students exceeded the three year HFCRD average in the Diploma acceptable rate.
- We celebrate our student's success in exceeding the provincial rate on receiving Rutherford Scholarships.
- Our high schools are focused on programming for student success therefore programs are tailored to our student's needs and aspirations which at times leads to a lower number of core courses.

- The creation of a Division calendar allowing for common Professional Collaborative Days across the Division
- Centralized Division professional collaboration for ECS teachers, Gr.5 and 6 teachers focused on Literacy and Jr. High
 teachers focused on planning and assessment.
- Providing intensive collaboration and leadership development for Division Learning Coaches.
- Five Division Learning Coaches to support teachers in Inclusive Education, First Nations, Métis and Inuit and Educational Technology.
- Instructional Leadership Teams to work on quality core instruction.
- Division virtual education programming to support credit recovery, course conflicts and alternative delivery methods.
- Off campus and dual credit program development.

Comment on Results

• HFCRD has exceeded the provincial results.

Strategies

- All strategies in our plan support the achievement of these performances measures.
- Maintaining a focus on quality core instruction and student's understanding of how their knowledge, skills and attitudes
 are important for the future.

Comment on Results

- The school Division is focusing on a common language for staff, students and parents around lifelong learning.
- 70% of our parents said students were taught the necessary skills, yet only 50% of the parents said high school students
 demonstrated them. Very similar results with the teachers.

- Off-campus programming & dual credit.
- Post-secondary tours and career counselling.
- Enhanced CTS offerings.
- Increase parental/guardianship involvement in the conversations around lifelong learning and preparing the young adult for a job in the future that we don't even know exists.
- Fostering ethical actions in local school communities, including community and global partnerships, environmental stewards and charity and service.
- Learning Fair or a school based hybrid.
- Community based presentations
- Open houses

Specific Outcome: Students demonstrate a strong foundation in literacy and numeracy.

Comment on Results

Historically at HFCRD the grade three results were significantly high and with their removal the achievement for Grade six and nine
has declined.

Strategies

- DIBELS (Dynamics for Improved Basic Early Literacy Skills) screening and ongoing progress monitoring Grades K-6.
- Targeting for 80% of core quality instruction.
- Placing comprehension supports for diagnosing literacy interventions into Gr. 7 and 8.
- Providing a Divisional calendar that allows teachers to be engaged in school based Grade level/subject specific Professional Learning Communities that focus on improved instruction and quality planning.
- Support being offered to teachers through Division Learning Coaches.
- Five day-full day ECS in all schools
- Students who are not at or above are being identified and provided supports.
- Providing required interventions for students.
- Requirement of administrators to supervise instruction.
- Continued priority focus on improved student attendance.
- School Admin teams develop, implement and monitor 45 day school improvement plan.

NEW Outcome: Technology is used to support student-centered personalized learning.

Comment on Results

HFCRD's Technology Plan of the student/device ratio supports our schools in the use of technology to support instruction.

Strategies

- All High Schools are doing My Blueprint.
- Developing in 2015-2016 a Divisional roll out plan to include educational technology using google.
- The learning coaches are supporting and targeting student centered personalized learning.

DESIRED OUTCOME TWO: Alberta has quality teaching and school leadership.

Specific Outcome:

Teacher preparation and professional growth focus on the competencies needed to help students learn. Effective learning and teaching is achieved through collaborative leadership.

| Performance Measure | Res | ults (i | Ilts (in percentages) Target Evaluation | | | | | Targets | | | | |

Comment on Results

- Excellent school based technology access for students.
- Quality integration of technology in multiple forms of instruction and learning including smart boards, document cameras, IPads and educational tools and programs.

Strategies

- We increased opportunities for enhanced exposure in these areas through guests, presentations, authors, illustrators.
- We try to provide Junior High options that are of interest and relevant to High School CTS.
- Teachers in these areas are supported in Professional Learning Communities internal and external to the Division.
- All our schools offer extra-curricular sports programs.
- Educating parents and students of the option choices available to students.

Desired Outcome Three: Alberta's education system is governed effectively

Specific Outcome: The education system demonstrates collaboration and engagement.

Comment on Results

• We will continue to create as many opportunities for parents to be involved in their child's education.

Strategies

- Parental portal in PowerSchool has supported parents in their level of involvement.
- Effective use of a variety of communication to parents through SynerVoice, social media, personal contact.

Specific Outcome: Students and communities have access to safe and healthy learning environments.

Comment on Results

- In reviewing the results, teachers have impacted the percentage indicating school and schools in their jurisdiction have improved or stayed the same in the last three years. It is believed that as we ask them to improve their instructional practices they are indicating we are directing their PD.
- The continued excellence in safe and caring speaks to our division's vision and culture of supporting our students and their families.

- Division calendar that supports centrally driven professional development.
- Providing Division in town bussing for students in three of our communities.
- Instructional Leadership Teams.
- Five Learning Coaches to support teachers.
- Through Power School there is real time Parental Access to information on their child's learning.
- Schools have embedded collaboration time into timetable for cross grade planning, professional learning communities and common learning times.

NEW Outcome: Instructional Leadership Teams identify and monitor school-wide instructional needs.

• Transparency in communication inspires trust with our school community.

- Communicating within stakeholders by reaching them in places they already visit social media and email being the
 newest tools introduced to our Division.
- Using social media to drive traffic to our website, including information parents and students want, i.e. photos.

Desired Outcome Four: First Nations, Métis and Inuit students are successful

Specific Outcome: The achievement gap between First Nations, Métis and Inuit (FNMI) students and all other students is eliminated.

Comment on Results

- HFCRD has high expectations for First Nations Metis and Inuit students.
- We are proud that our Division's three year average for Diploma Acceptable is 81.4 and for our FNMI students it is 81.2.
- We have exceeded the three year average results compared to the province on Dropout rate, High School completion, Diploma acceptable, Diploma
 participation rates, Rutherford and Transition rates
- The Division has worked very hard on increasing the attendance of our FNMI students.

- Continue to support centralized coordination of FNMI services and supports to schools.
- Through the Board evaluation process, the Board of Trustees has success for FNMI students as a priority by listing it as one of it's Positive Path Forward.
- · Ensure each school develops FNMI program goals that address appropriate programs and supports for FNMI students.
- Focus on Attendance Procedure enabling positive relationships and effective communication with families.
- Concentrated efforts to provide cultural infusion.
- Identifying at-risk students and providing appropriate levels of support.

Capital and Facilities Projects

The Division maintains a Three-Year Facility Plan that is updated on an annual basis. All school facilities are audited through the Alberta Infrastructure School Facility Evaluation Program. The audits are key drivers in identifying additional space and modernization needs that will be prioritized in the Three-Year Capital Plan of the jurisdiction. The ultimate goal of this plan is to ensure students are taught in schools that facilitate programming needs in a healthy and safe environment.

Holy Family School (Grimshaw)

In December 2013, the Government of Alberta announced that Holy Family School was approved for a replacement school. The new project will allow a partnership between Holy Family Catholic Regional Division No. 37, the Town of Grimshaw, and Peace River School Division No. 10. The new school will be attached to the Mile Zero Multiplex to allow for opportunities to share space and provide increased options for students and the community. The new school will have a capacity of 350 students from ECS to grade 9 and is projected to be completed in 2017.

We anticipate being able to offer an enriched set of school programs including enhancements to CTS programming such as Shop and Home Economics. There is a theatre, and atrium for shared and partnered spaces. The partnership with Library, the Town of Grimshaw and Peace River School Division No. 10 is strong and a vibrant driver of our construction project

Glenmary School (Peace River)

In the 2015-2018 Three-Year Facility Plan, the Division identified Glenmary as the number one priority for modernization and lab addition. In October 2014, the Provincial government announced that Glenmary School will receive a modernization and CTS lab addition. The modernization is needed to upgrade the aging building and to offer additional programming in the school. An in-depth analysis is nearly completed to determine the exact needs of the facility. The modernization and CTS lab addition project is expected to be completed in 2017.

In 2013, Glenmary School received a modular classroom from the Government of Alberta, which is now fully operational. Glenmary is reaching the design phase of the project and as we move forward we continually have an eye to the programing needs of the Ministerial Order, 21st Century Learning and how they come alive in the context of the Peace Country.

École Providence (McLennan)

In March 2013, the Holy Family Catholic Regional Division No. 37 Board of Trustees unanimously supported the reorganization of École Providence School to a grades K-6 school effective in the 2013-2014 school year. Consequently, the Division closed a portion of the school in the 2013-14 school year.

This said our closed portion of the Facility is being re-tasked to the community's use in partnership with the Town of McLennan and the Recreation Board. These partnerships only serve to build on the newfound momentum to growing and reviving school programming at École Providence.

St. Andrew's School (High Prairie)

St. Andrew's School has been identified as the number one priority in the 2016-2019 Three-Year Facility Plan. The school requires significant upgrading to mechanical and electrical components. Funding will have requirements beyond IMR. A new two station junior/senior high gymnasium is required to meet safety standards and accommodate high school sports. Additional CTS space is required to accommodate the growing need for occupational programming. As the school layout resembles a maze, a Concept Plan is needed to reconfigure the existing space and consolidate the many additions that have occurred over the years.

Rosary School (Manning)

A modernization and addition was completed in 2002. The project provided for a modern and functional learning environment as well as appropriate space for ECS to grade 9. Rosary School underwent a Facility Evaluation September of 2015. We look forward to the results of this assessment in guiding our work forward in the years to come.

Good Shepherd School (Peace River)

In 2008, a second modular classroom added to meet the Class Size Initiative targets. Due to increased enrollment, a new modular classroom was requested in October 2014. The Modular was installed in September of 2015 and is now an active element of our school based program.

St. Stephen's School (Valleyview)

A new school has been operational since 2006-2007 which provides students with a modern and functional facility to accommodate a growing ECS to grade 9 programs. We seek to address solutions in cooling the school in the most environmentally and fiscally effective manner in the 2015-2016 year.

As school facilities age, it is foreseeable that IMR funding received will be utilized to maintain Division schools to an acceptable standard to ensure learning environments are safe and adequate. The Division will be receiving \$387,000.00 in IMR Funding for the 2015-2016 school year.

Further information regarding school facilities may be obtained by contacting the Assistant Superintendent of Business Services, Nigel McCarthy at Central Office in Peace River at 780-624-3956 or email Nigel.McCarthy@hfcrd.ab.ca or visit the website at www.hfcrd.ab.ca. Parental Involvement

The individual School Combined Annual Education Results Report and Three-Year Education Plan is communicated to the school council and made available to parents and the public on each school's websites which can be accessed by navigating Holy Family CRD No. 37's webpage at www.hfcrd.ab.ca School Councils are given an opportunity to provide input into the Combined AERR and Three-Year Ed Plan at school council meetings with their school principals. Principals then bring input forward to the Superintendent at meetings held with Principals to update the report.

Timelines and Communication

This report is made available to parents and the public on the Holy Family Catholic Regional Division No. 37 website at http://www.hfcrd.ab.ca/div/content/documents-and-reports. The class size report can be accessed at https://docushare.hfcrd.ab.ca/docushare/dsweb/Get/Document-112313/2015-10-

 $\underline{30\%20Class\%20Size\%20Survey\%20Jurisdiction\%20Report\%20-\%20All\%20Subjects.pdf} \ . \ Copies \ of \ these \ reports are available upon request.$

This report is a summary of Holy Family Catholic Regional Division's achievements for the 2014-2015 school year combined with the 2015-16 – 2017/18 Three-Year Education Plan. It serves as a tool to continue monitoring improvement in the Division and it provides accountability to our stakeholders.

Whistleblower Protection

In accordance with Section 32 of the Public Interest Disclosure Act (2013), Holy Family Catholic Regional Division No. 37 had no incidences of public disclosure during the 2014-2015 school year.
